

HIV Pharmacy Association

Annual Conference

Holiday Inn, 137 Kings Road, Brighton BN1 2JF

Friday & Saturday, 16th and 17th June 2017

Conference Programme, Registration and call for Poster Abstracts

This year the Annual HIVPA Conference will be held in the lovely seaside town of Brighton, at the Holiday Inn. The hotel is conveniently located on the beach road and is easily accessible by road, air and rail.

The conference will start at lunchtime on Friday 16th June 2017 and will finish at 5.30pm on Saturday.

There are a wide variety of topics on offer over the two days, with some very experienced speakers that will cater for all our delegates, so book your place early to avoid disappointment.

Following on the success of previous years, we are pleased to announce that we will continue to be holding a number of technician and junior pharmacist focused sessions throughout the conference. There will 10 free technician spaces available on a first come first served basis.

There is of course the more social side to the conference, where you have the opportunity to catch up with old friends and colleagues and to meet new ones. The conference provides an excellent networking opportunity as well as a chance to relax at the informal dinner in the hotel on the Friday evening.

There will also be a poster exhibition at the conference which will display the best of HIV pharmacy practice and research.

There will be a sponsors' exhibition open to our industry sponsors where information and updates will be available from our industry colleagues.

We encourage all pharmacists and technicians to register early and attend for the full two days to get the most from the conference with its high quality professional education and networking opportunities which should not be missed!

We look forward to seeing you there!
With best wishes

Lucy Hedley, Celesta Riddles, Samuel Kabagambe, Carol Wilkinson and
Rachel Pavett

Posters:

All pharmacists and technicians are encouraged to submit an abstract for the poster presentation at this conference and to be in with a chance to win the Ushma Patel Prize for Pharmacy Practice and research!

Posters are welcome from industry partners and sponsors; the same submission rules apply.

Preference will be given to abstracts which display the work of pharmacy practice and in particular, the role of the specialist pharmacist/technician.

HIVPA will accept abstracts previously submitted to other conferences, but would ask that the work that is submitted is current and up to date.

The submission process is:

Submit **an abstract of 2500 characters (including spaces) or less** of the main poster presentation and poster to be sent by Tuesday 23rd May, 2017 to hivpaoffice@gmail.com

Full poster presentation to be brought to the conference

The winner and runners up of the Ushma Patel poster prize will be announced on Saturday 17th June 2017.

Poster boards with small pins will be provided at the conference for display purposes.

Poster programme:

The following information is required for all poster/abstract submissions:-

- Title of abstract
- Name and job title of lead author and names of co-authors
- Name of department and unit being represented plus contact address and post code
- Email address of submitting unit / lead author and contact phone number
- Maximum of 2500 characters (including spaces) on just one page of A4
- Arial font in size 12

Topics:

Any HIV pharmacy related topic that is considered as study based, audit based, research based, treatment or management based, for pharmacists or technicians. If submission is made from a non-NHS source, the content must not promote a drug or treatment strategy.

- **Deadline:** Abstracts must be submitted by Tuesday 23rd May 2017
- **Submission:** Abstract to be sent as MS Word document electronically, by email, to: hivpaoffice@gmail.com
- **Content:** Abstracts may be based on audit or trials, and layout should follow or include the standard paragraph headings required by national or international meetings
- **Notification:** Lead author will be notified of acceptance or rejection by Wednesday 31st May 2017 by email
- **History:** Poster may be submitted even if previously accepted at other meetings. Posters are also accepted from sponsors but will be displayed clearly indicating its source.
- **Poster Boards:** Poster boards will be available at the conference, **portrait orientation**
- **Size/ Layout:** Posters are to printed/produced up to a maximum of 700mm wide by 1200mm in height; overall size to fit one poster board per entry. All data to be shown on a single poster **or** as a series of information presented on A0 size.
- **Adjudication:** All posters accepted will be judged and a winning poster will be awarded a monetary prize. The abstract will be assessed on: Overall presentation; clarity of content; scientific rigour of content and relevance to clinical pharmacy or technical quality
- **Author:** It is preferred, but not a requirement that the lead author, or one of the co-authors is present as a delegate at the conference
- The decision of the HIV Pharmacy Association Committee adjudicating panel is final.
